Full Status Pathway Options

Via Master's or Doctoral Degree

- Applicants may qualify for full status admission based on a master's degree or doctoral degree from a regionally accredited college in the US or a comparable graduate degree from a recognized institution of higher learning abroad with a cumulative GPA of 3.0 (or its equivalent)
- No Letter of Justification required
- Automatically reviewed for eligibility for this option

Via Non-Degree or Graduate Certificate Credit Hours

- Applicants may qualify for full status admission after completion of a minimum of **12 graduate-level credit hours** taken at Illinois as a non-degree student or a graduate certificate student within the proposed academic major if they have received a cumulative GPA that meets the department minimum for good standing
- No Letter of Justification required
- Automatically reviewed for eligibility for this option

Full Status Pathway Options

Via Professional Work Experience

- Applicants may qualify for full status admission with support from the academic program and approval from the Graduate College if they have completed 10+ years of professional work experience in the field corresponding to the proposed academic major
- **Letter of Justification required**, detailing how and why the student's professional work experience is a better determinant of their ability to succeed in the proposed graduate program.

Letters of Justification (LOJ)

All Justification Letter Requirements:

- Must be an individual letter specific to this student's situation and must be signed by the Director of Graduate Studies (or other supporting faculty/staff as appropriate).
- Letters on departmental letterhead preferred.
- Canned templates will not be accepted.

Letters of Justification (LOJ)

Low GPA or Non-Comparable Bachelor's Degree Letter Requirements:

- What to Include – Detailed information as to why you believe the student will succeed in your program, including other factors that support the admit (test scores, work experience, letters of recommendation, etc) and a plan to help the student succeed.
- If you are planning to offer the student an assistantship, **this letter must also provide justification and a request for an exception to allow the student to hold an assistantship while on academic warning.** Please note that this request will need to be approved before the admission can be processed and before the offer of assistantship is made to the student.
- LOW GPAs –
 - For applicants with GPA of 2.75-2.99/4, **no LOJ is required.** We will automatically admit the applicant on limited status. If GPA not on 4.0 scale, we will convert GPA to determine if LOJ is required. Be mindful when referring to ensure the department is ok admitting on limited status.
 - For applicants with GPA below 2.75/4 (or if GPA is not on 4.0 scale and is determined to be low), **LOJ is required.**

Letters of Justification (LOJ)

Possible Duplicate Degree Letter Requirements:

- What to Include – Detailed explanation as to how the previous degree and your degree program differ, including confirmation of no duplication of coursework or listing how much duplication of coursework exists.

Possible Professional Work Experience Letter Requirements:

- What to Include – Detailed explanation as to how and why the student's professional work experience is a better determinant of their ability to succeed in the proposed graduate program.

Incomplete Admissions

❖ Common Reasons:

- Missing Referral information
- Transcript doesn't have institution name or student name listed
- Missing transcripts or degree certificate
- Missing English proficiency score or test score verification
- Missing Letter of Justification

❖ Notifications:
