

The following pages are sample appendices that can help you with the format and organization of the document. Appendices should be designated with letters.

The figures and tables are numbered in the **decimal** numbering style. In this style, the letter of the appendix should appear first, while the second number indicates the placement of the figure/table in the chapter.

Example:

The Appendices should follow the References/Bibliography **unless** your Appendices include citations or footnotes.

**Appendices can consist of figures, tables, maps, photographs, raw data, computer programs, musical examples, interview questions, sample questionnaires, etc.**

# Optional: Appendices; Decimal numbering style

Appendices are labeled with letters

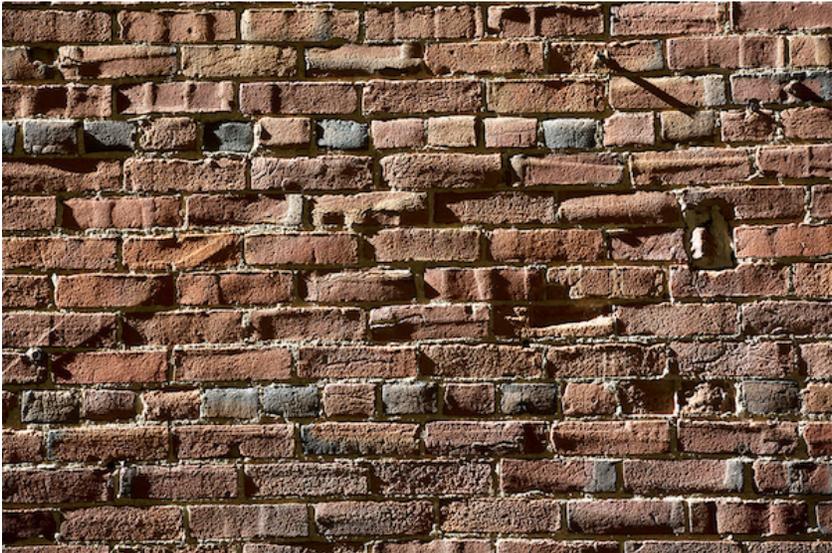

## APPENDIX A: APPENDIX TITLE
