**A Vision Plan for Graduate Students of the  
University of Illinois at Urbana-Champaign  
2021-2022**

The summary below provides you with a brief description of the most important features of your EyeMed vision plan.

The University of Illinois at Urbana-Champaign provides a vision plan that registered graduate students with no waiver-generating appointment may purchase. In order to be eligible to purchase the plan, the student must be registered. Students may also elect to purchase coverage for their spouses and/or domestic partners and/or dependent children. Students purchasing the vision plan for themselves or dependents are fully responsible for submitting the enrollment forms and paying the premium. Questions about the coverage should be directed to the provider.
