What is SEVIS?

➢ Student and Exchange Visitor Information System

➢ Federal electronic database that houses immigration information for international students

➢ Access is restricted to authorized users:
  ➢ Designated School Official (DSO)
  ➢ Alternate Responsible Officer (ARO)
What is an I-20? DS-2019?

- An I-20 or DS-2019 is a paper document issued to international students seeking to enter the U.S. to study as a student status.
  - The issuing of the I-20/DS-2019 creates the student’s online SEVIS record & ID.
- These documents are referred to as visa eligibility documents and allow for students to apply for student entry visas.

Types of Visa Eligibility Documents

- Initial – Does not have a current SEVIS record
- Transfer – Coming from another U.S. institution
- Change of Level – Current UIUC student with a SEVIS record
- Change of Status – Changing visa status within the U.S. (not traveling abroad/home)
Visa Options

- **Student Visa Types**
  - F-1 Student Visa (F-2 Dependent) – I-20
    - Most common one you will see
  - J-1 Student Visa (J-2 Dependent) – DS-2019
    - Initials and Change of Status will probably need to apply for a new visa
    - Transfers and Change of Levels do not require a new visa to remain in the US

- **Other Common Visa Types**
  - J-1 Scholar Visa
  - H-1 Work Visa (H-4 Dependent)
  - B-1 Business/B-2 Tourist Visa (not allowed to study)
**Documentation Requirements**

- Applicants requesting an I-20 or DS-2019
  - Passport (and dependent passports, if applicable)
  - Proof of funding documentation

- We do not need this documentation from applicants who do not require an I-20 or DS-2019
  - Applied for U.S. Permanent Residency (Adjusted in Status)
  - Studying on a non-student visa
  - DS-2019 to be issued by outside agency (Fulbright)
  - Online programs (not eligible)
Financial Evaluations
Financial Evaluation Basics

- Who is required to provide proof of funding?
  - Any international applicant or re-entry requesting either an I-20 or DS-2019

- Why is proof of funding required?
  - Federal regulations require that prospective students provide proof that they have the financial resources to live and study in the United States.

- What documentation must be provided as proof of funding?
  - F-1 applicants must verify proof of liquid funds for the total cost of the first year of study by submitting bank statements and/or sponsorship documentation as appropriate.
  - J-1 applicants must verify proof of funding for the full length and cost of the program.
    - 51% or more of J-1 applicants’ funding must be from government, organization or department funding. These sponsors must verify they will cover costs for the full length of the program.

PROOF OF FUNDING REQUIREMENTS

In order for the Certificate of Visa Eligibility (Form I-20 or DS-2019) to be issued, it is necessary to submit complete and accurate information regarding your sources of financial support. The University of Illinois at Urbana-Champaign requires this information in compliance with regulations set forth by the U.S. Citizenship and Immigration Services (USCIS) for all students planning to enter the United States under its auspices. All documents must be in English or accompanied with an official English translation. All documents must be uploaded into the online application.

Please review the proof of funding documentation requirements at [https://grad.illinois.edu/admissions/instructions/04d](https://grad.illinois.edu/admissions/instructions/04d).

Dependent Information: Married students who will be accompanied by spouses and/or children must certify additional financial resources to both the institution and to the U.S. embassy or consular office in order for dependent visas to be issued. The current estimated cost for accompanying dependents is as follows: for one dependent, $9,000 per year; for two dependents, $13,000 per year; and each additional dependent is $2,000 per year. Costs are calculated per 12-month period. It is also highly advisable to purchase health insurance for accompanying dependents. The current approximate rate for a spouse or child is $2,781 per year. If you are being sponsored by an agency or your employer, please ensure that the letter of sponsorship indicates agreement to cover your accompanying dependent costs as well as your own. Please note these rates are subject to change.

Contingency Fund: We strongly advise that you provide a contingency fund of $3,000 for your initial expenses and potential increases in tuition and fees. The expenses listed below and on page 2 are estimated and may increase between the time of admission and your first term of study. These expenses may also increase each year of your program. All tuition and fee rates are subject to change without notice.

SEVIS Process Incomplete Notification

- If any required documents are missing or unacceptable, an email will be sent to the department only detailing what is needed.

- The student can upload additional documents to their admissions status page and notify the department when available.
  - The status page includes a link to the proof of funding requirements & to a PDF of their application.

- Any department funding changes or new uploads, please email grad@Illinois.edu to review.
SEVIS Process Complete Notifications

- **Initial, Change of Levels or Change of Status**
  - An email will go out to the student and department contact with a link to the I-20. Due to COVID-19, we are temporarily permitted to email I-20s.
  - This email will also include directions for next actions to take for the student.

- **Transfers**
  - These students’ email will include directions to request a SEVIS transfer with their current university’s international student office.
  - After their SEVIS record has been transferred to UIUC, we will be able to issue the visa eligibility document. A new email with a link to the I-20 will go out once the document has been issued.
FAQs

- Who should I direct any I-20 questions to?
  - GC can assist all new and re-entry graduate students
  - Current graduate students, considered current once they have checked in, can be assisted by ISSS

- When will the Transfer I-20 be issued?
  - The student should choose a release date with their current university. We typically issue the I-20 within a couple of business days from the release date.

- The student will not arrive by the date on the I-20, now what?
  - The Program Start Date on the I-20 is the deadline to arrive in the US. Once a new arrival date is determined & acceptable, a new I-20 will need to be mailed that has been updated to the new arrival date.

- Changes were made to a student’s I-20, will the SEVIS ID change?
  - Updates before 10th day, unless they are changing I-20 types, are unlikely to change the SEVIS ID.
  - After 10th day, ISSS starts canceling unregistered SEVIS records so any students deferred after then may get a new SEVIS ID. If the previous SEVIS record is cancelled, we will need to create a new Initial.

- A student’s EPT requirement was removed for new test scores, will they need a new I-20?
  - Students whose admission is updated from limited status to full status will not be issued a new I-20.

- Why is there a dash (-) for the student’s first/given name?
  - If the student has 1 name listed on passport, it has to be listed as the last name. Banner & Slate require a first name, so a dash will be used. The first name will be left blank on the I-20.
As of 12/14/2020, we have not received official federal guidance for Spring 2021.

Anyone not arriving in the US by their I-20’s Program Start Date, will need a new I-20 when they are ready to apply for their visa.

We are currently gathering enrollment plans, so we know who will need an updated I-20.

If anyone changes their plans, please let us know.
