2024
Workshop Agenda

• Introduction to SEVIS and International Student Visas
• Funding Requirements
• SEVIS Evaluation is Complete
• Post I-20 Steps
What is SEVIS?

- Student and Exchange Visitor Information System
- Federal electronic database that houses immigration information for international students
- Access is restricted to authorized users:
  - Designated School Official (DSO)
  - Alternate Responsible Officer (ARO)
What is an I-20? DS-2019?

- An I-20 or DS-2019 is a paper document issued to international students seeking to enter the U.S. to study with a student status.
- The issuing of the I-20/DS-2019 creates the student’s online SEVIS record & ID.
- These documents are referred to as visa eligibility documents and allow for students to apply for student entry visas (F or J visas).

Types of Visa Eligibility Documents

- Initial – Does not have a current SEVIS record
- Transfer – Coming from another U.S. institution
- Change of Level – Current UIUC student with an active SEVIS record
- Change of Status – Changing visa status within the U.S. (not traveling abroad/home)
What is a visa?

- Student Visas permit the students to enter the US
  - F-1 Student Visa (F-2 Dependent) – I-20
    - Most common one you will see
  - J-1 Student Visa (J-2 Dependent) – DS-2019
    - Initials and Change of Status will probably need to apply for a visa
    - Transfers and Change of Levels do not require a new visa to remain in the US
- Other Common Visa Types
  - J-1 Scholar Visa
  - H-1 Work Visa (H-4 Dependent)
  - B-1 Business/B-2 Tourist Visa (not allowed to study)

PROOF OF FUNDING REQUIREMENTS

In order for the Certificate of Visa Eligibility (Form I-20 or DS-2019) to be issued, it is necessary to submit complete and accurate information regarding your sources of financial support. The University of Illinois at Urbana-Champaign requires this information in compliance with regulations set forth by the U.S. Citizenship and Immigration Services (USCIS) for all students planning to enter the United States under its auspices. All documents must be in English or accompanied with an official English translation. All documents must be uploaded into the online application.

Please review the proof of funding documentation requirements at https://grad.illinois.edu/admissions/instructions/044.

Dependent Information: Married students who will be accompanied by spouses and/or children must certify additional financial resources to both the institution and to the U.S. embassy or consular office in order for dependent visas to be issued. The current estimated cost for accompanying dependents is as follows: for one dependent, $9,000 per year; for two dependents, $13,000 per year; and for each additional dependent is $2,000 per year. Costs are calculated per 12-month period. It is also highly advisable to purchase health insurance for accompanying dependents. The current approximate rate for a spouse or child is $2,706 per year. If you are being sponsored by an agency or your employer, please ensure that the letter of sponsorship indicates agreement to cover your accompanying dependent costs as well as your own. Please note these rates are subject to change.

Contingency Fund: We strongly advise that you provide a contingency fund of $3,000 for your initial expenses and potential increases in tuition and fees. These expenses listed below and on page 2 are estimated and may increase between the time of admission and your first term of study. These expenses may also increase each year of your program. All tuition and fee rates are subject to change without notice.

Sample I-20
Student Next Steps

- Please pay your SEVIS fee online at www.fmjfee.com (I-901 fee). Remember to print the receipt to present at your visa interview.

- Schedule an appointment for your non-immigrant entry visa: http://www.usembassy.gov/. As you have been issued an initial I-20, you will need to follow this step even if you are currently in the US. Please bring the required documents to your visa interview as listed on the embassy website.

- What you will need to show at the United States Port of Entry:
  - Passport
  - Entry visa
  - Printed I-20
  - You may also be asked to show proof of your funding as listed on your I-20
  - If you are a Canadian citizen, you will not require an entry visa to enter the United States.

- When you arrive on campus, you are required to check in with the International Student and Scholar Services (ISSS) office upon arrival and before class registration. All new international students are required by law to report for check-in with the Office of International Student and Scholar Services (ISSS). Instructions, important dates, and location can be found at: http://go.illinois.edu/Checkin.
Late Arrivals

• The Program Start Date is the deadline to arrive in the US
• We want students here by 10th day but will review additional time on a case-by-case basis
• Late arrival approvals will need to come from the department in order to update the I-20
  • If visa appointment is after PSD, then we should update I-20 before the appointment
  • If has visa, then we will need their booked US arrival date
• Ensure your student is aware of the challenges of late arrivals
  • Housing
  • Transitioning while studying and/or working
  • OPT qualifications
  • Tuition refunds if have to withdraw
FAQs

- **Who should I direct any I-20/visa questions to?**
  - GC can assist all new and re-entry graduate students
  - Current graduate students, considered current once they have checked in, can be assisted by ISSS

- **When will the Transfer I-20 be issued?**
  - The student should choose a release date with their current university and UIUC department. We typically issue the I-20 within a couple of business days from the release date.

- **Changes were made to a student’s I-20, will the SEVIS ID change?**
  - If they paid their SEVIS fee, any updates to their current I-20 are unlikely to change the SEVIS ID.

- **A student’s EPT requirement was removed for new test scores, will they need a new I-20?**
  - Students whose admission is updated from limited status to full status will not be issued a new I-20.

- **Why is there a dash (-) for the student’s first/given name?**
  - If the student has 1 name listed on their passport, it has to be listed as the last name. Banner & Slate require a first name, so a dash will be used. The first name will be left blank on the I-20.

- **Do you need a copy of a new passport?**
  - We will only need an updated passport if the person’s name has changed or if it is for a new citizenship country.
